

LIMITED-TIME COUPON

Free Regular Sized Neatobots Postcard!

**Offer Valid on
Free Comic Book Day
May 4th 2013**

One coupon per customer. Coupon must be surrendered and may not be used for other neatobot items unless deemed valid by designated representative of the Neatobots. Supplies are limited and void where prohibited. If you have a dog and they want a postcard you can use this coupon for them because we understand that it is hard for them to hold things with their paws. We will not do the same for cats. They are way smarter than dogs so they should be able to figure it out.
